# Caledon Grace Venue Packages 2022

## Introduction

The Caledon Grace Guest House offers a luxurious country atmosphere with large, aged trees and lush gardens that are meticulously maintained. The estate also boasts fantastic views of the swart berg mountain range. The Guesthouse and Venue is situated on the historical Oatlands Estate, which can be found on the outskirts of Caledon, an agricultural Village in the Overberg. The setting hosts lush green gardens and quant vineyards that stretch to the Bath River with ancient oaks fringing the river's edge. The guest house is a Victorian Style home with six guest rooms and large dining hall as well as a large covered outdoor veranda overlooking the entire estate and mountain range. This magnificent estate truly is suited to any event.

Your hosts Martie and Gert Koegelenberg graciously invite you to come and experience what is the Caledon Grace Guesthouse and Venue.
